to Voters, Points to

After referring to the record of Gov-rnor Whitman as set forth in detail a the Whitman Campaign White Book, in any detailed fashion. We believe that the voters are entitled to a coldly dispassionate statement as to what Mr. Smith's training and equipment are, with a résumé of his work in the Legis-

parochini school, in the parish on the ower East Side where he was born, and says that in 1895 he became a clerk in the office of the Commissioner

Cites Legislative Record

"This," says the address, "completes, s far as the obtainable records show,

as far as the obtainable records show, his 'training' and 'equipment' up to the age of thirty, when, in 1903, he was elected to the Assembly, serving there from 1903 to 1915.

"The Citizens Union, in its yearly reports from 1905 to 1915, declared that he was active and aggressive, but continually condemned him because of his subserviency to the Tammany Hall

"In 1915 his record shows that he voted against every bill that appropriated money to be spent in the country and upstate cities (27 times) on the ground that the 'money will be spent upstate, and New York City must pay 80 per cent of the cost."

"Nothing is said here that is not a part of the official records of the State of New York," says Miss Boswell, in closing the address, which is signed also by Robert C. Morris, S. Edward Young, George F. Johnson, Mary Garrett Hay, Katherine Bement Davis, Mary Wood and Jessie Hoyt Higgins.

Many of the booths used for bond selling during the recent Liberty Loan campaign have been turned over to war savings stamp salesmen who intend to remind the city daily and nightly that the chance to invest in the war is still open. Although no effort was made to press the sale of war savings stamps during the loan campaign, such sales in that period amounted to \$1,936,000.

Stop "Time" Clocks, Turn Others Back

S TANDARD time will be resumed all over the United States at 2 o'clock Sunday morning when the six-month daylight saving period, ends. All clocks will be set back one

mechanically construsted clocks for the recording of employes' time, electric driven clocks controlled by master clocks, and strik-

trolled by master clocks, and striking and bell ringing clocks the only safe method of resuming standard time without damaging them is to stop them for one hour, according to J. E. Barnum, district manager of the New York office of the Cincinnati Time Recorder Company.

Mr. Barnum declares that to turn these time pieces back would cause them to be thrown out of adjustment and necessitate repairs. He asserts that in New York City and vicinity alone there are approximately 100,000 time clocks in use, which, if turned back, would keep every available clock repair man busy for days.

Lewis Asks Removal Of Ormsby McHarg

Against Officials of Commonwealth Finance Corporation

in the complaint.

The action filed yesterday followed a four days' hearing in Albany at which, Mr. Lewis said, the defendants refused to produce their books. The contention of the defendants was that the suit was the outcome of a stock-holders' quarrel and that the Attorney General should not have interfered.
